A boat that goes beyond

Where nature meets machine

Our experiences

Thunder Jet 60

Your adventure lasts one whole hour, jump on board our jet boats right in the heart of Queenstown, no transport required – great value!

Thunder Jet 25

If you are pushed for time, join our 25 minute jet boat adventure so you can still get your jet boat fix. This option is perfect for kids too!

Highlights

44km

Travel the furthest distance of 44km, accessing exclusive and remote areas on your Thunder Jet adventure.

90km/h

Skim the water's edge at exhilarating speeds of up to 90km/h in the newest fleet of jet boats in Queenstown.

360° spins

Experience an exciting adventure with world famous 360° spins, complemented by a personalised commentary and our very own soundtrack.

Go louder, further, faster

Think our boats look fierce sitting still? Wait till you hear them roar.

The twin V8 engines generate **820 horsepower** (the kind of power normally reserved for Formula 1 race cars) and accelerate you to speeds of up to **90km/h**.

Fortunately, with great power, comes incredible precision. Something you'll experience as our skilled drivers weave through the spectacular scenery, skim the shallows, and dive into one of our famous **360° degree spins**.

What to bring

Camera
